

Mauna Loa Solar Observatory Observer's Log

---

Tue Aug 23 17:58:52 GMT 1994

Year: 94 Doy: 235

Observer: koon

WEATHER COMMENT: Tue Aug 23 17:58:59 GMT 1994

Very foggy since early this morning, it cleared once for a few minutes to reveal a cirrus overcast above it. Wind ~15-30 mph from the east, temp ~ 50 F

WEATHER COMMENT: Tue Aug 23 23:35:54 GMT 1994

Weather is getting continuously worse, no observing today.
