

Mauna Loa Solar Observatory Observer's Log

---

Fri Nov 11 17:18:26 GMT 1994

Year: 94 Doy: 315

Observer: koon

WEATHER COMMENT: Fri Nov 11 17:18:33 GMT 1994

Thick altocumulus overcast, rain, snowing at summit, wind ~25 mph. No observing today.

COMMENT: Fri Nov 11 17:43:06 GMT 1994

I will make sure things are secured and turn off some breakers due to the possibility of thunderstorms.
