COMMENT: Fri Jul 28 17:36:40 GMT 1995

I was down at the GONG shelter for about 20 minutes trying to figure out how to keep the Sensaphone from calling me every few minutes telling me that the sound level is high and I should dial telephone number "no number" to acknowledge the receipt of the message. Figured how to clear the message and will send a message to GONG folks regarding this.
