MKIII COMMENT: Thu Jan 11 18:44:04 GMT 1996

Planning to swap AN4 card in CHAN 0 back to CHAN 1, and replacing AN4 in CHAN 1 with a spare, deemed good on 23 FEB 1994, and installing it in CHAN 0 a little later in the morning if weather holds.

I will need time to run CORRECT on both channels after the swap.

Running a pre-swap attempt CALIBRATE.
