COMMENT: Fri May 17 20:51:58 GMT 1996

Extended the dome slot. Also got a little distracted by some guys from the telephone company who were looking for some batteries to change. They apparently got the wrong directions and wanted the CMU building next to NOAA.

WEATHER COMMENT: Fri May 17 22:01:23 GMT 1996

The sky has become progressively noisier as the wind direction has shifted to NE.
