COMMENT: Fri Nov 7 18:02:45 GMT 1997

Going down to GONG to do weekly and monthly pm while still in cirrus.

Fri Nov 7 18:03:48 GMT 1997 PICS End Flat

COMMENT: Fri Nov 7 19:02:11 GMT 1997

Back from GONG. Had to fix a data computer/exabyte tape problem besides taking care of the pm.
