COMMENT: Fri Dec 5 21:11:46 GMT 1997
We tried tightening the RA clamp screw a bit, Couldn't turn it very much, may be at a limit.

MKIII COMMENT: Fri Dec 5 23:19:13 GMT 1997
Tape drive has been acting funny, apparently not writing a bunch of files occasionally(?) Akamai window was behind the enlarged xterm window while we were having a running dialog with Leonard regarding pspt. Having to unload tape manually, drive not responding to commands.

COMMENT: Fri Dec 5 23:23:54 GMT 1997
Activity report:
AP at PA 70 all morning.
