PSPT COMMENT: Sun Dec 28 18:29:20 GMT 1997

I erased the files from the Archive directory since they were copied to 2 tapes already. We'll keep one tape here until someone lets us know that they received the data in good condition. I'll send the other tape to Randy Meisner, this is data tape #1 for us. I rebooted the computer because I wanted some .cshrc aliases to go into effect after I wrote them. The instrument is now taking data.
