MKIII COMMENT: Mon Mar 30 21:32:54 GMT 1998

Just noticed KCC monitor indicates tape is stuck in Write mode.

I see no indication on akamai window of the typical 'wrote 0 records' message that usually accompanies the failure. No indication on expanded window either.

I will just continue obs, taking data to disk since it is close to shutdown time. Oh, wait, I just got a 'wrote 0 records' message on akamai.
