Clock on answering machine was set one day off, fixed it.

COMMENT: Sat Nov 21 20:48:26 GMT 1998

I was able to get in contact with Mel the electrician. They will order  
two dimming single pole switches for the lighting and then will get back  
to us and schedule the work for Wednesday or Thursday. They have to  
get the switches from Maui so it may not be next Wednesday or Thursday.

WEATHER COMMENT: Sat Nov 21 21:27:08 GMT 1998

The sky is still very cloudy, no observing today.
