
Mauna Loa Solar Observatory Observer's Log

Sat Mar 27 17:27:05 GMT 1999

Year: 99 Doy: 086

Observer: meisner

WEATHER COMMENT: Sat Mar 27 17:27:15 GMT 1999

Cold, strong S wind, clouds and rain to the east and south, clear to the west. Will delay opening until weather clears, if it does at all.

GONG PROBLEM : Sat Mar 27 17:31:44 GMT 1999

GONG monitor shows red ERROR CONDITION window. I will leave this for Eric, as per his instructions.

WEATHER COMMENT: Sat Mar 27 19:30:33 GMT 1999

Orographic clouds moving in, winds still strong and gusting. No observations today. Closing down.

Sat Mar 27 19:31:32 GMT 1999
