
Mauna Loa Solar Observatory Observer's Log

Tue Oct 31 19:29:40 GMT 2000

Year: 00 Doy: 305

Observer: yasukawa

WEATHER COMMENT: Tue Oct 31 19:31:51 GMT 2000

Cool, in broken cirrus overcast and cumulus cloud bank, raining all morning. South wind.

MKIV COMMENT: Tue Oct 31 19:34:19 GMT 2000

Flat panel display arrived by FEDEX yesterday afternoon. Interface adapter also arrived yesterday. Unpacked new monitor and looked over instructions. gracefully shut down nahenahe and uninstalled Sun monitor. We will store it as a 19" spare. Installed new Samsung Flat Panel Display onto nahenahe and fired things back up. Display came up nicely and seems to be working fine. We will run it for a couple of days before pronouncing it good.
