Done checking out Opal Mechanism. The shear pin is fine, but the motor is bad, we need to replace it. We tried the Ground Glass motor but it too was bad so we couldn't use it as a spare, and its shear pin was also good. There isn't enough torgue to drive the mechanism. I took pictures

of the motor and got dimensions which I'll send to Boulder. Maybe we should get at least 2 of these motors so we'll have a spare. I put the old motor back since it holds the Opal in place when its in or out - but we need to stand up there by it during the cals and move it in and out by hand for now. -Darryl Fri Dec 19 02:24:37 GMT 2003 End Patrol CHIP Fri Dec 19 02:25:31 GMT 2003 End Patrol PICS Fri Dec 19 02:29:45 GMT 2003 End Patrol MKIV Fri Dec 19 02:31:46 GMT 2003 MkIV 01_24.rawmk4 18_03.rawmk4 19_27.rawmk4 20_41.rawmk4 21_54.rawmk4 01 27.rawmk4 18 06.rawmk4 19 30.rawmk4 20 44.rawmk4 21 57.rawmk4 20 47.rawmk4 01 30.rawmk4 18 09.rawmk4 19 33.rawmk4 22 00.rawmk4 01 33.rawmk4 18 12.rawmk4 19 36.rawmk4 20 50.rawmk4 22 03.rawmk4 01 36.rawmk4 18 15.rawmk4 19 39.rawmk4 20 52.rawmk4 22 06.rawmk4 01 39.rawmk4 18 18.rawmk4 19 42.rawmk4 20 55.rawmk4 22 09.rawmk4 01 42.rawmk4 18 21.rawmk4 19 45.rawmk4 20 58.rawmk4 22 12.rawmk4 01 45.rawmk4 18 24.rawmk4 19 48.rawmk4 21 01.rawmk4 22 15.rawmk4 01 48.rawmk4 18 27.rawmk4 19 51.rawmk4 21 04.rawmk4 22 18.rawmk4 01_51.rawmk4 18_30.rawmk4 19_54.rawmk4 21_07.rawmk4 22_21.rawmk4 01_54.rawmk4 18_33.rawmk4 19_57.rawmk4 21_10.rawmk4 22_24.rawmk4 01 57.rawmk4 18 36.rawmk4 20 00.rawmk4 21 13.rawmk4 22 27.rawmk4 02_00.rawmk4 18_38.rawmk4 20_02.rawmk4 21_16.rawmk4 22_30.rawmk4 02 03.rawmk4 18 41.rawmk4 20 05.rawmk4 21 19.rawmk4 22 32.rawmk4 18 44.rawmk4 02 06.rawmk4 20 08.rawmk4 21 22.rawmk4 22 35.rawmk4 02 08.rawmk4 18 51.rawmk4 20 11.rawmk4 21 25.rawmk4 22 38.rawmk4 02 11.rawmk4 18 57.rawmk4 20 14.rawmk4 21 28.rawmk4 22 41.rawmk4 02 14.rawmk4 19 03.rawmk4 20_17.rawmk4 21 31.rawmk4 22 44.rawmk4 02_17.rawmk4 19_07.rawmk4 20_20.rawmk4 21_34.rawmk4 22_47.rawmk4 02_20.rawmk4 19_10.rawmk4 20_23.rawmk4 21_37.rawmk4 c18_48.rawmk4 02 23.rawmk4 19 13.rawmk4 20 26.rawmk4 21 40.rawmk4 c18 54.rawmk4 19_15.rawmk4 02_26.rawmk4 20_29.rawmk4 21_43.rawmk4 c19_00.rawmk4 17_54.rawmk4 19 18.rawmk4 20 32.rawmk4 21 45.rawmk4 17_57.rawmk4 19 21.rawmk4 21 48.rawmk4 20 35.rawmk4 18 00.rawmk4 19_24.rawmk4 20_38.rawmk4 21_51.rawmk4
