GONG PROBLEM : Mon Jul 11 23:44:45 GMT 2005

Going down to GONG for the 5th time today. This time to reboot the workstation. They keep coming up with these tasks one at a time rather than consolidating them.

____end____

GONG PROBLEM : Tue Jul 12 00:17:38 GMT 2005

Back from GONG. Reboot did not get rid of "NO WCS" message on ximtool. Also had to run cleaning tape thru DLT drive 2X to clear the "clean me" request during the reboot.

COMMENT: Tue Jul 12 00:48:12 GMT 2005

Shutting down in heavy clouds. Going back to GONG on my way down to pack up the flaky hard drive and the UPS they sent out earlier.

Will try to get down to FEDEX before they close for the day.
