COMMENT: Tue Feb 13 17:54:43 GMT 2007

I removed the wired on weight and put back the old weight at the end of the spar with the old clamp. Allen wired on the weight yesterday after I forgot to reclamp it, I had to remove it to work on the spar while it tracked. The clamp I used on the PICS Halle stage was a different tiny clamp, not that big clamp we're using at the end of the spar. The clamps are kept in the tool cabinet up there.
