MLSO PROBLEM Sun Sep 27 18:37:27 GMT 2009

I ordered parts for the stuck driver's side window, according to the mechanic we need a new window regulator which also comes with a new motor. The parts will take at least 5 days to come in so I taped some cardboard over the open part of the window and water-proofed it with duct tape, this works well for now, and it keeps the morning sun out of my eyes :)
