Sun Nov 14 00:37:05 GMT 2010 CHIP Start Patrol

CHIP PROBLEM COMMENT BY ALLEN : Sun Nov 14 00:41:20 GMT 2010

The image problem was caused by the ac power plug of the filter temperature controller being pulled loose from the rear of the controller. I added a couple of cable ties to hold it closer to its cable bundle. Waited for the filter to come up to temperature before restarting.
