MKIV COMMENT BY LISA: Sun May 26 19:08:52 GMT 2013

Mk4 keeps sending emails saying it's out of date when Mk4 has been idled for about half an hour now. Hit patrol and then idled again, hoping to fix it.

NOTE BY LISA: Mon May 27 01:27:42 GMT 2013

When I went upstairs to park the dome and instruments, I noticed a little bit of water on the floor, right in front of the orange ladder as it's parked now. Checked the spar for water but looking at the wall, it looks like it fell. There were splashes.

NOTE BY LISA: Mon May 27 01:31:23 GMT 2013

Instruments were not near it and lenses look dry.
