
Mauna Loa Solar Observatory Observer's Log

Thu Feb 5 17:18:51 GMT 2015

Year: 15 Doy: 036

Observer: rose

WEATHER COMMENT: rose: Thu Feb 5 17:18:56 GMT 2015

39F, cirrus to the east, strong wind, 40-50mph gusts 65+

____end____

GENERAL OBSERVATORY COMMENT BY rose: Thu Feb 5 17:20:20 GMT 2015

too windy to up domes

____end____

**KCOR PROBLEM COMMENT BY rose **: Thu Feb 5 21:47:06 GMT 2015

KCor UPS began alarming and turned off, it rebooted but then turned off again

____end____

GENERAL OBSERVATORY COMMENT BY rose: Thu Feb 5 22:13:04 GMT 2015

Moved networking system plug off Kcor UPS. That got the phone and network back up. High wind disrupting power. Doing quick shutdown and heading down.
