GENERAL COMMENT BY rose: Wed Dec 23 18:27:18 GMT 2015

I added a little integral to the PID loop for RA. Now oscillating alot less from 10 to -10. Ti is now 0.02556 was 0.0056.

I will change it back later today.

readjusted SGS offsets

returned to the original PID settings, not oscillating like it was when it was more horizontal
