GENERAL OBSERVATORY COMMENT BY berkey: Mon Mar 14 19:43:52 GMT 2016

Flooring guys are on site. Equipment moved to the west side of the building. No observing today.  
\_\_\_\_end\_\_\_\_

GENERAL OBSERVATORY COMMENT BY berkey: Mon Mar 14 23:13:13 GMT 2016

It is getting pretty fog out side. But the floor prep work continues.

GENERAL OBSERVATORY COMMENT BY berkey: Tue Mar 15 00:18:59 GMT 2016

Flooring guys are done for today, self leveling compound needs to dry over night before the tile can go in. Equipment remains unplugged so we should expect at least one more day of no data.
