Year: 16 Doy: 249

Observer: waters

WEATHER COMMENT: waters: Mon Sep 5 16:07:04 GMT 2016

Temp is 42F with windspeed at about 10mph from the Southeast. With just a puff of cirrus to the South of the Sun, the sky looks wonderful this morning!

GONG COMMENT BY waters: Mon Sep 5 16:08:25 GMT 2016

Went down to the GONG shelter earlier and swapped out their weather station Communications board with the new one they sent out. So far it looks good.
