Year: 17 Doy: 332

Observer: stueben

WEATHER COMMENT: stueben: Tue Nov 28 17:26:55 GMT 2017

Temp: 41.1f, Humidity: 100%, Pressure: 28.773in, Wind: East 5-10 mph, Skies: Dense overcast, raining at present. Winter storm warning and flash flood watch for today. No snow at MLSO or visible snow looking upslope. Snow seems unlikely today unless the temperature drops.
