Temp: 34.6f, Humidity: 78%, Pressure: 28.631in, Wind: light southern breeze, Skies: Mostly cloudy but some clearing to the west. Top part of the road is slick with ice. Snow line about 500' below mlso. About 1" of snow on the ground at mlso. I could only get to about .5 mile from the gate - parked on the side of the road and walked up.
