GENERAL OBSERVATORY COMMENT BY waters: Sun Feb 11 23:31:14 GMT 2018

Can offically smell the fire down by Waikoloa now that the wind has shifted to the Northwest. Seems to be clearing though, hopefully.

GENERAL OBSERVATORY COMMENT BY waters: Mon Feb 12 02:55:57 GMT 2018

Good day for observing, except in the afternoon, the aerosols picked up quite a bit. But otherwise, good weather. Hope tomorrow is just as good or better.
