GENERAL COMMENT BY berkey: Sat Jul 07 01:34:18 GMT 2018
Kcor O1 removed for its mount and rotated 90 degrees CC to try to move the big bullet holes out of the closed region.

O1 was also blown off front and back while doing this work.

GENERAL COMMENT BY berkey: Sat Jul 07 02:53:47 GMT 2018
Weather was ok today. Clear in the morning; fog came in during the prox sesnor work, but cleared again before that work an
d com completed.

Did some daily tasks like cleaing the floor upstairs.
