GENERAL COMMENT BY berkey: Mon Jul 16 22:52:27 GMT 2018

Cirrus has cleared enough to take kcor data, but aerosols are pretty bad right now.

Mon Jul 16 22:52:53 GMT 2018 Kcor Focus/alignment program exited

KCOR COMMENT BY berkey: Tue Jul 17 00:46:09 GMT 2018

Removed kcor 01 and blew off front and back to try and address the 2 big bullet holes. I did not see any obvious sources for the artifacts.
