

Mauna Loa Solar Observatory Observer's Log

---

Fri Mar 25 17:22:15 GMT 1994

Year: 94 Doy: 084

Observer: yasukawa

COMMENT: Fri Mar 25 17:22:35 GMT 1994

In heavy cloud bank. Sun obscured by mid-level clouds at this time, fog wafting by now and then. West wind 15 mph. 2.5 degrees C.

COMMENT: Fri Mar 25 17:37:32 GMT 1994

It is snowing pretty heavily at this time. Completely socked in.

COMMENT: Fri Mar 25 17:58:27 GMT 1994

Snow beginning to stick, may get hazardous driving down. Abandoning site for the day. No observations.
