GENERAL COMMENT BY mcotter: Tue Feb 22 17:29:37 GMT 2022

Due to sky conditions I am leaving the dome closed at this time.

WEATHER COMMENT: mcotter: Tue Feb 22 17:34:35 GMT 2022

According to satellite images, it looks like a large storm system is moving toward the Big Island from the southwest. There is an additional large storm system to the northwest of the Hawaiian Islands, but it is too early to tell whether this storm system will have an impact on the Big Island.
