GENERAL COMMENT BY mcotter: Sat May 07 16:35:34 GMT 2022

Cannot open the dome at this time due to poor sky conditions.

____end____

WEATHER COMMENT: mcotter: Sat May 07 23:30:36 GMT 2022

The sky is totally overcast in all directions with slightly hazy skies at lower elevations. A light mist can be felt in the air outside the observatory.

____end____

WEATHER COMMENT: mcotter: Sun May 08 00:04:42 GMT 2022

The weather continues to worsen with a light rain beginning to fall.

No observing today due to poor sky conditions.
